

Beast Feast 2023 Vendor Contract

Thank you for your interest in reserving a vendor space for Beast Feast at Thomas Road Baptist Church, this year on September 23, 2023. This is an outreach of the Thomas Road Baptist Church and, therefore, all advertising and sales must be done in a manner, which will honor the church and more importantly God. There will be no alcohol or smoking products permitted on the premises for the event. We also require the use of proper etiquette from all employees at the booths (i.e. no cursing, rude comments, offensive material, etc.). **You may begin setting up your booth at 1:00 PM. The event guests will be arriving by 4:00 PM** and will end at approximately 9:00 PM. Sales may take place before and after the main speaker & pastor Jonathan Falwell speak. We will ask for quiet during the main session (including the silencing of all music, mechanical equipment, and non-essential talking.) Although we expect a good attendance, we cannot guarantee the number of people or the amount of revenue they will generate. We are not limiting the number of vendors selling the same types of products. A flat fee of \$150.00 must be paid in cash or with a check payable to Thomas Road Baptist Church. If you plan to donate a prize up to 50% (\$75) of the total value can be applied to your payment. Please list the prizes and retail value at the bottom of this contract. You must also register every man who will be manning your table for the event (this event is free to attend). After payment is received, we will reserve you a 6-foot table. If you need more space, please include an additional \$100.00 per table. Spaces with electrical needs are limited, so please make a note if you need power for your space. A breach of any of these rules could cause you to lose your permission to remain at the event, without reimbursement of the fee.
